

August 3, 1992

Hi Gang;

No, you have not been forgotten. Believe it or not, the April issue of the Parrot was started back in February and is still sitting on the corner of my desk, partially completed. At last, the pile of Coast Guard Auxiliary "stuff"

that was on top of that pile has disappeared as one of my two auxiliary jobs has finally ended for the year. (I am not taking on that position for the coming year.) There will be, before the end of the month, an "April/August" edition of the Parrot in your mailbox.

Our sincere apologies to everyone for the preceding months of silence.

### GATHERING '92

Gathering '92 is now less than 2 months away and the time of procrastinating has come to an end. If you are planning to attend and have not made your reservations at the Peppermill, well, you had better pick up the phone right now and get it done. The block of rooms that our Exalted Parrot Face had arranged for last September will be available, at the rates quoted, only until AUGUST 28th, just a few short weeks away. After that, you're on your own.

At this point in time, only ten rooms have been accounted for, so where are the rest of you?

In case you lost that original registration form, the Peppermill phone number is:

Toll Free ... 1-800-282-2444  
Direct ..... 1-702-826-2121

When you call, be sure to tell the lady that you are making reservations for the "OUR GANG" POLYTECHNIC HIGH SCHOOL REUNION.

And in case you forgot, Gathering '92 will be Friday & Saturday, September 25th & 26th.

The room rates for our group are:

Deluxe DD	\$65
Deluxe K	\$65
Tower K	\$75
Tower QQ	\$75

To date, nine of the reservations have been for the Tower rooms while the tenth was for a small suite where the Friday night "Parrots Perch Welcome Room" will be held. More on that in the upcoming Parrot.

Once again ... to guarantee the above room rates (and a room in that block) you must make your reservation by AUGUST 28th.

### SATURDAY AFTERNOON OPEN HOUSE CANCELLED

Saturday afternoon has become an open time for Gathering '92 as Pat Puchert has had to cancel the shindig for family health reasons. If anyone has an idea to fill the afternoon please get in touch with our Exalted Beak Nose, Ronnie Bier (719-598-6263), as soon as possible. Unless someone has a better idea, Saturday afternoon will be an open time to gamble, wander, window shop or just sit around and reminisce about Poly and the 50's.

Saturday morning breakfast & bowling at Ballys is still on and we are currently taking bets on which frame Joyce Porter will become airborne!
